## 7Up Sport Relief Sponsored Event

We completed the sponsored event in March, just before the lockdown was forced upon us. But because of the lockdown we have not collected the money in yet and that means Sport Relief have not got the funds. So:

If you have collected all your sponsor money please, on one of your walks around the village, put your sponsor form and money in an envelope and put it through my door. Ask Charlotte to text the address to you.

If you have not yet collected your sponsor money don't worry but DO NOT LOSE your sponsor form. When we are allowed to meet more people, please collect the rest of your sponsor money and again put in an envelope with the sponsor form and put through my door.

If you would rather keep the cash and issue a cheque for the same amount, please make the cheque payable to Christ Church Baptist and post it with your sponsor form as above.

If you have any questions please do not hesitate to contact me

Thanks

Jan Farrant
